August 15, 2019

Dear Community Member:

The Board of Education is seeking members of the community to participate on school board and district committees for the 2019-2020 school year.

The **Legislative Committee (BOE Chairperson – V. Molloy)** - promotes school issues to federal, state, county and town officials to enact legislation affecting those issues. The committee monitors and may initiate legislation in the interest of the district.

The **Budget Advisory Committee** provides a representative view on the proposed expenditures that formulate the school's spending plan for the next school year.

The **School Safety Awareness Committee (BOE Chairperson – W. Massian)** -The committee, which is a combined effort of the community, students and administration, will review school safety issues and procedures, develop new methods of community communication, as well as, awareness and needs. The committee's mission is the development of useful recommendations for the district to review and implement, such as policies, programs, and events.

The **Policy Committee (BOE Chairperson – P. Blizzard-McGrath)** - assists the Board of Education in developing policies to guide the overall operations of the District. Policies provide clear and concise guidelines to the administration and staff in making decisions. Membership on this committee is a two (2) year commitment and is determined by a lottery chosen at a Board of Education meeting. The current committee is in the second year and will be open to alternate members this year, if the need arises.

Appointments to the committees will be made in September. If you would like to serve on a committee, please submit a letter of interest to District Clerk Lillian Pizzolo at 35 Yaphank Middle Island Road, Middle Island, NY 11953 **no later than September 5, 2019**. You can also send a fax to 631 345-0144 or an e-mail to lillian.pizzolo@longwoodcsd.org

You must submit a letter including your name, address, telephone number, e-mail address, and the committee you are applying for, even if you have served on a committee in the past. Your name will not be submitted for appointment unless all information is supplied.

Very truly yours,

A handwritten signature in black ink, appearing to read "Frank Muraca".

Frank Muraca
President, Board of Education
